## Appreciation Dinner Served Family Style

On July 14th, ASQ Denver members and family gathered for a delicious dinner to celebrate our Annual Membership Appreciation Dinner. It was a treat to relax and share one another's company, meet new friends and, especially, be with family.

This year's event was hosted by Amato's Ale House in LoHi Denver. The Ale House is known for its selection of Colorado craft beers and locally sourced food. We enjoyed a pleasant atmosphere, attentive staff and a generous menu. And kudos to the Ale House for making this possible on short notice, after the original venue suddenly shut its doors weeks before our event.

The Denver Leadership Team hosted this complimentary event for all our section members and their family in appreciation for their support of ASQ and of our Denver Section. Thanks to all who attended!
